

THE BEAVER PARADOX

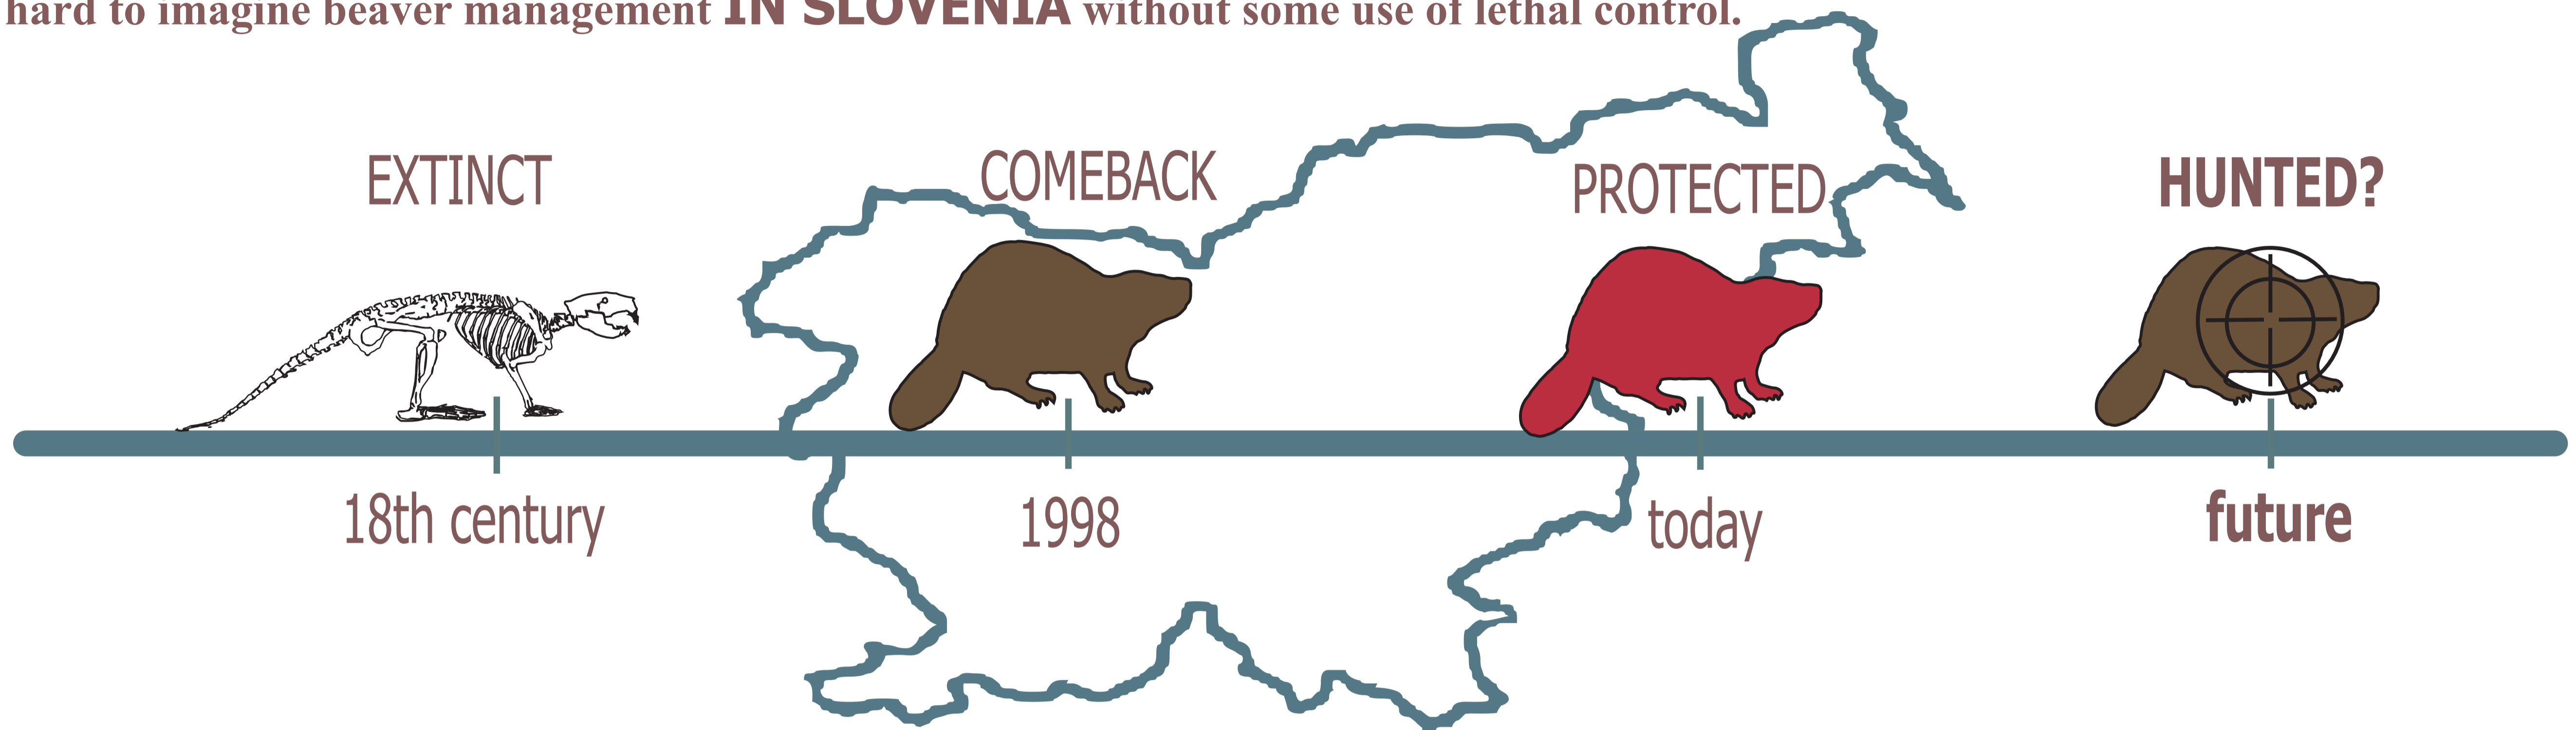

Protected species, which might not need protection anymore?

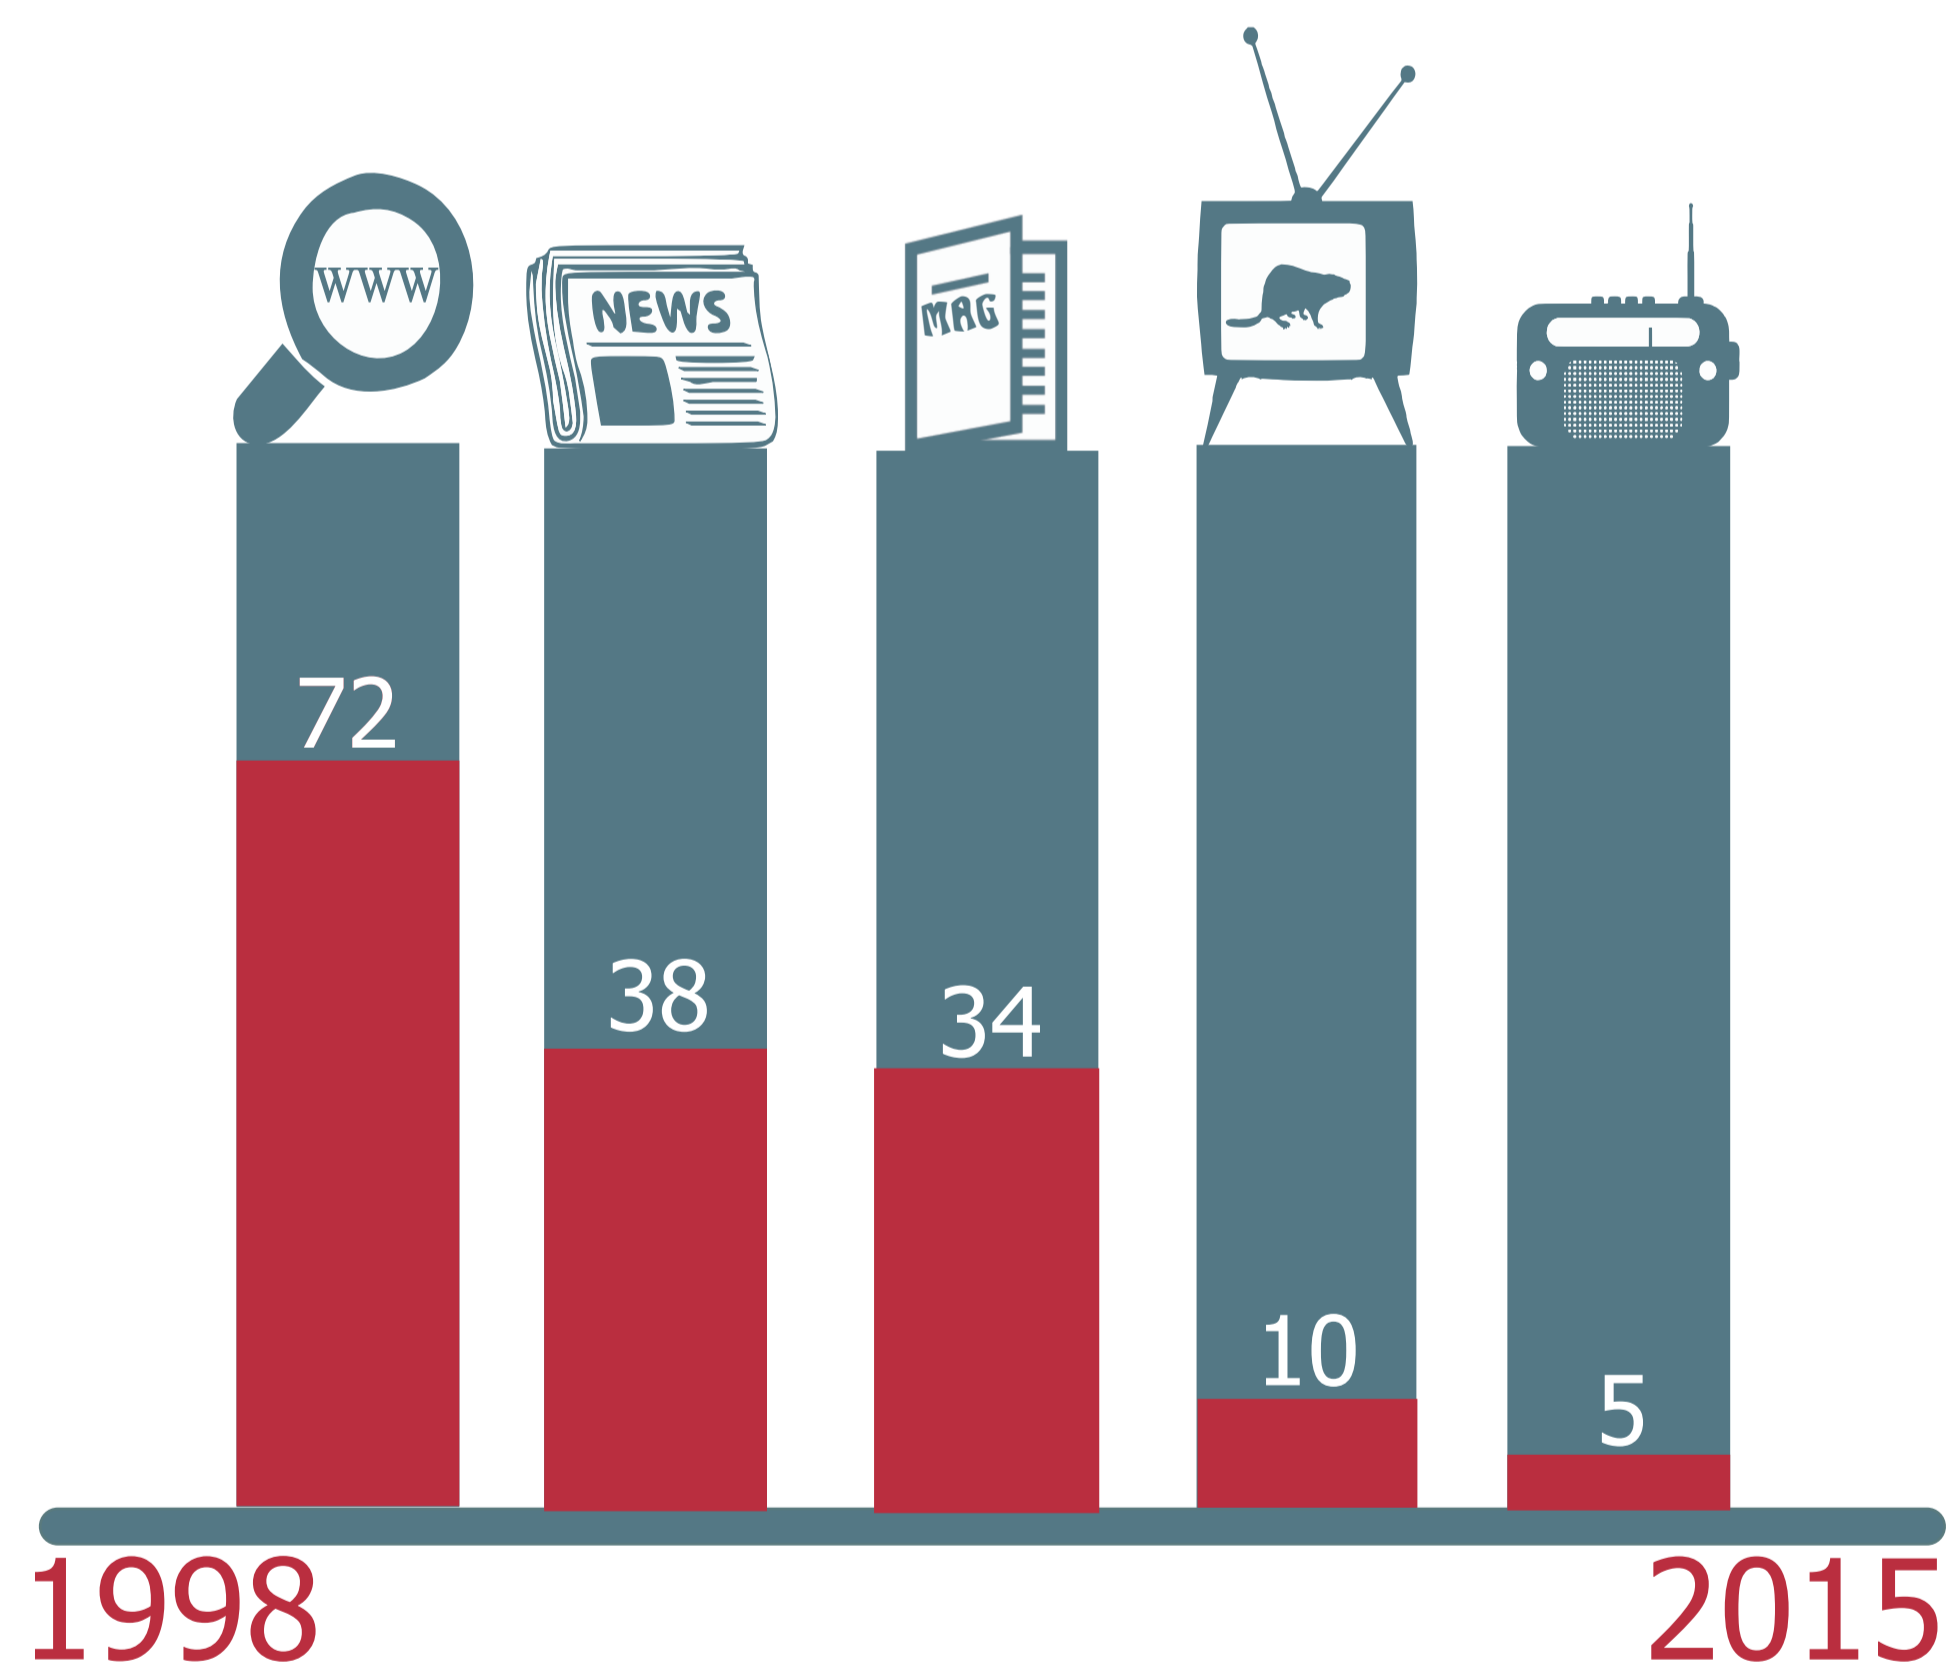

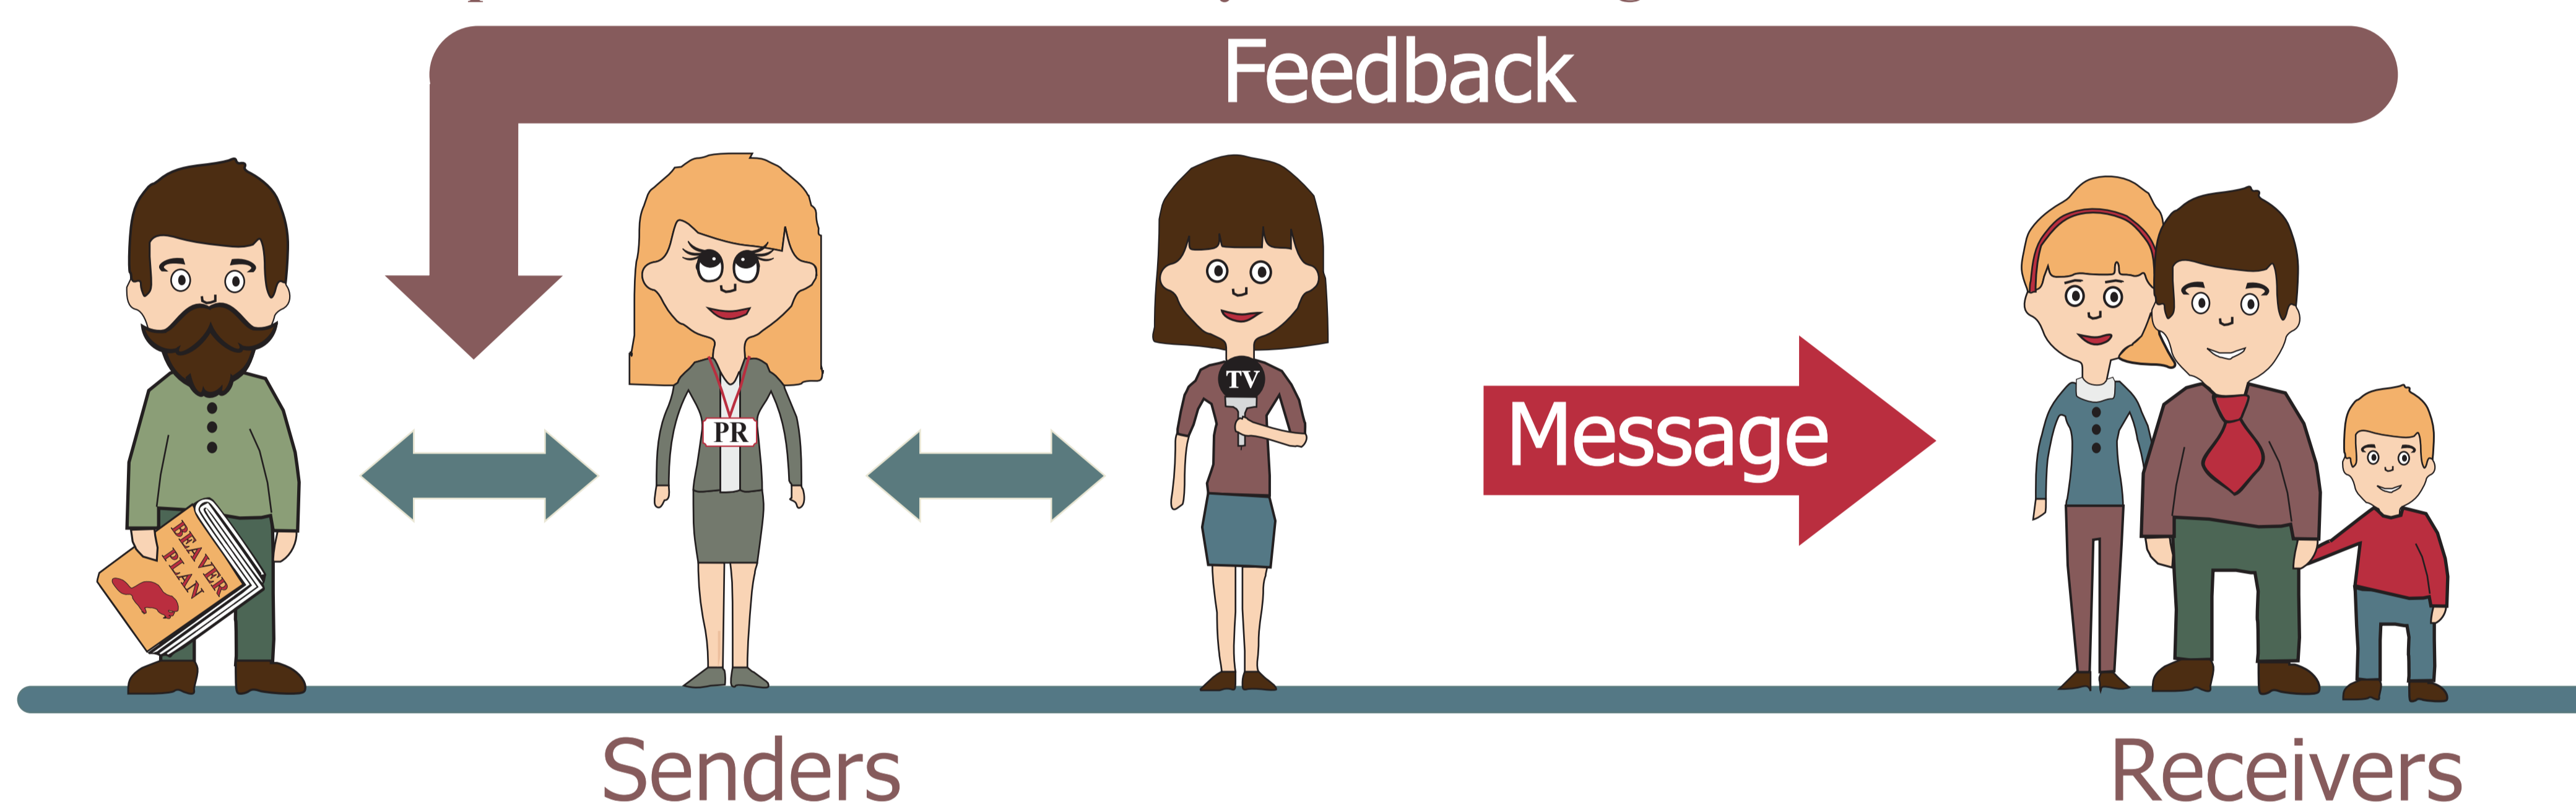

Saša Vochl and dr. Anže Japelj

Slovenian Forestry Institute, Večna pot 2, 1000 Ljubljana, Slovenia

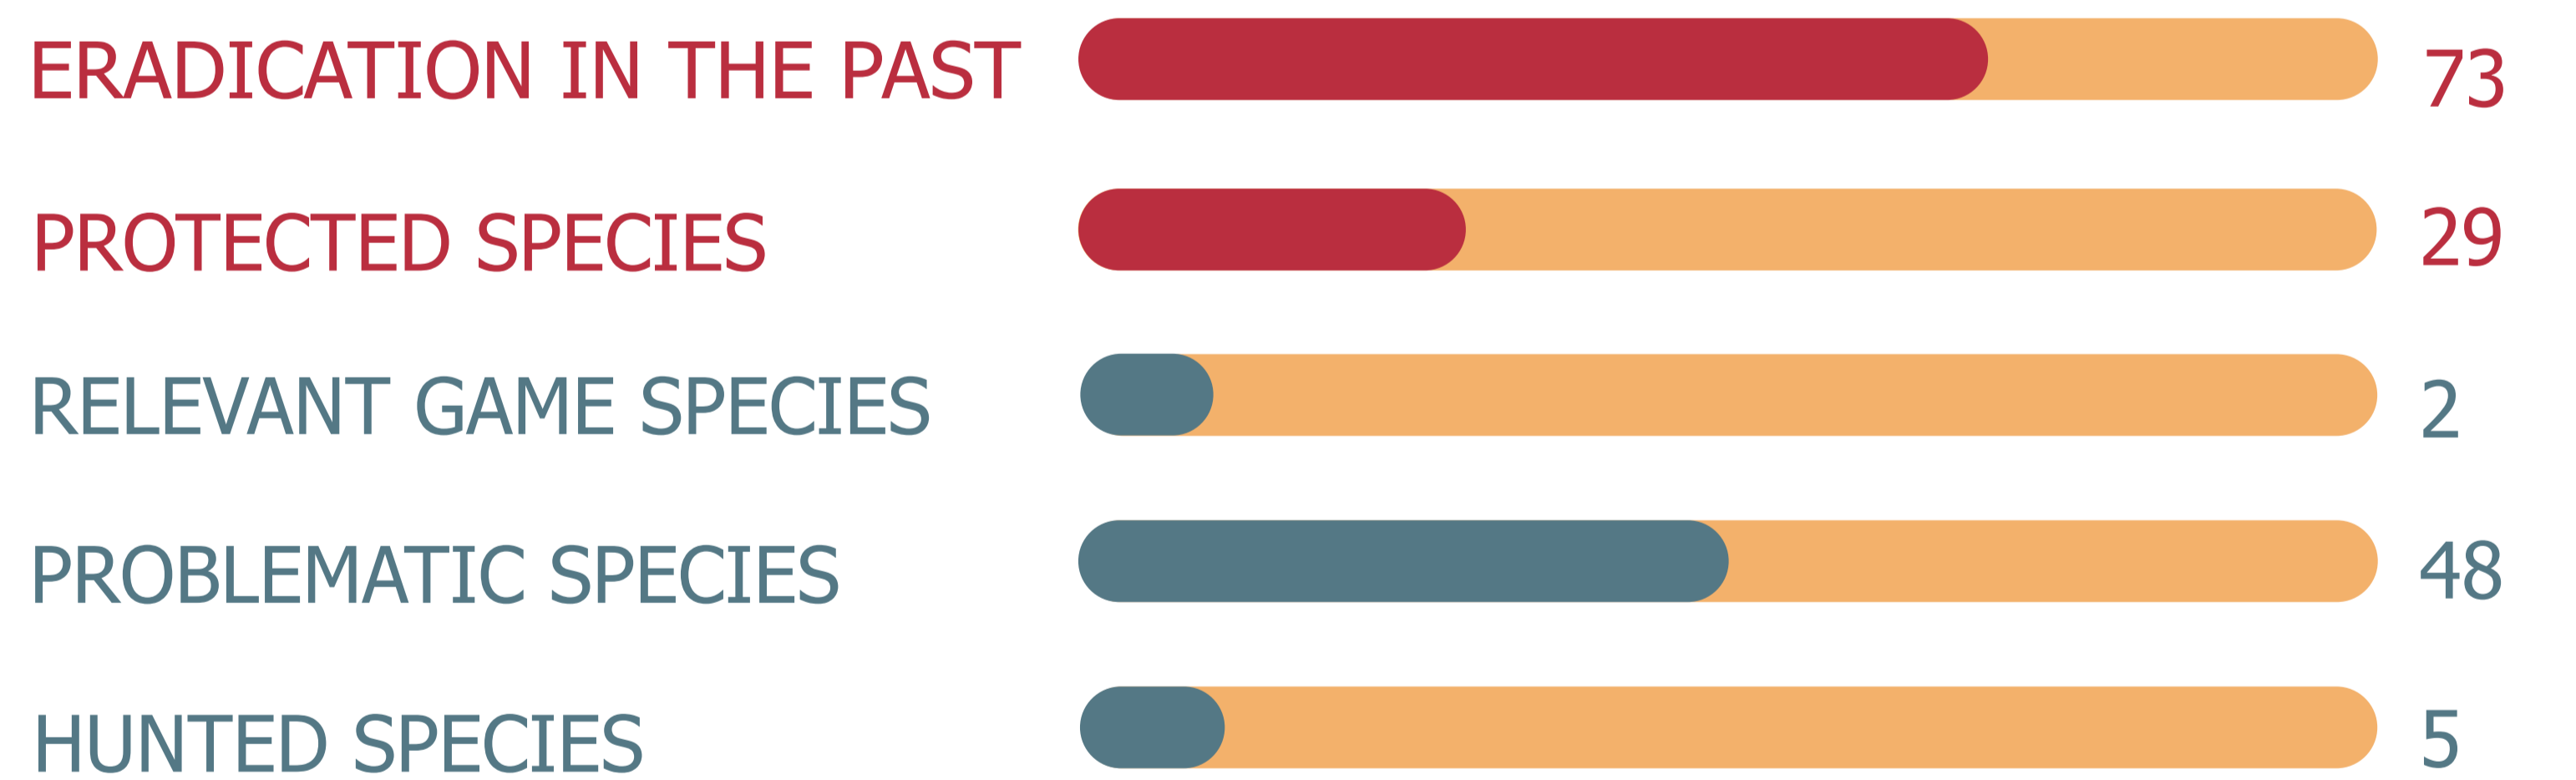

It is hard to imagine beaver management **IN SLOVENIA** without some use of lethal control.

The public needs to understand why there is a change of an attitude towards beaver.

WHAT THE MEDIA SAY?

MEDIA
A POWERFUL WEAPON
IN BEAVER MANAGEMENT
