

**AKDEM**  
"BİTKİ & MEYVE ÇAYLARI"

ENCOUNTER POINT OF NATURALNESS AND QUALITY

The Firm started production in 1994 and it concentrated on herbal teas and natural floral products. They are always mentioned among leader brands. Herbal teas, a part of life, always have consumed in different countries and ways. Although these differences, the common point is NATURAL AND HEALTHY ALERTNESS.

The Firm have gotten "organic production certification" and "TSE ISO 9001 quality certification" since 2006.

The facilities have hygienic environment and production process is without any outside interferences.

Products are passed laboratory tests continuously.

Many kind of products, more than 300, such as tea, grape juice, marmalade, sauces, vegetable oil and vegetable capsule are sold on markets.

Annual production capacity is 30 000 tones.

They have more than 6000 client around Turkey and the World.
